**1 GENERAL**

The Emergency Operation for Development Project (EODP) is a US\$ 350 million operation for Iraq launched in 2015 with a development objective aimed at supporting the Government of Iraq (GoI) in the reconstruction of the damaged infrastructure and the restoration of public service delivery in targeted municipal areas (the cities of Tikrit, Dour, Al Dalooeyya and Al-Alam in the Salah Al-Din governorate, as well as the cities of Jalula As-Saidiya and Al-othiem in Diyala governorate).

The GoI has expressed the need to review some of the components in order to expand the geographical and sector coverage of the project. The WB and the GoI have agreed to restructure the existing project to include needs arising from the evolving context, where the amount was extended by an additional US\$ 400 million in 2017. The additional financing is planned to scale-up EODP activities and expand them in terms of sectoral (adding irrigation and education) and geographical coverage as per the original design of EODP. Such expansion is critical to ensure that project impacts are extended to new liberated cities in the Salah Al-Din and Diyala governorates, as well as in Kirkuk, Al-Anbar (including Ramadi), Ninewa (including Mosel).

Both EODP and EODP-AF projects are composed of ten components that focus on the following areas:

Component (1): Restoring Electricity Infrastructure and its Connectivity;

Component (2): Restoring Municipal Waste, Water and Sanitation Services;

Component (3): Restoring Transport Infrastructure;

Component (4): Restoring Health Services;

Component (5): Technical Assistance;

Component (6): Project Management, Sensitization and Monitoring and Evaluation;

Component (7): Restoring Agriculture Productivity;

Component (8): Emergency repair of water control infrastructure and irrigation schemes;

Component (9): Restoring Education Services; and,

Component (10): Restoring Municipal Infrastructure and Services and Preserving Cultural Heritage Assets

This financing agreement cover all works contracts to restore and repaired Electricity, Municipalities, Roads and Bridge, Transport, Medical Equipment, Consulting Services for REFAATO, Agriculture, Water supply, Education in 5 liberated governorates at Al Anbar, Diyala, Ninawa, Salah Ad-Din and Kirkuk as well as contracts implemented by Component 10 governorates (Al Anbar, Diyala, Ninawa and Salah Ad-Din) furthermore cover supervision contracts and consultant contracts, projects implementation.

The financial statements and the notes on pages 1 to 4 were authorized for issuance by Management Letter dated December 29<sup>th</sup> 2020.
