

German International Cooperation with Iraq

Invitation for Bids

IRAQ

German "Credit Facility to assist the Return of IDP's" in Iraq

Project ID: KfW/RBD/01-37581-subloan 3a

Contract Title: Construction Works for the Rehabilitation of the Al Qayara Bridge, Nineveh Governorate /Iraq

The Ministry of Construction, Housing, Municipalities and Public Works has received financing from KfW toward the cost of the 'German Credit Facility to assist the Return of IDP's in Iraq (GCFI)', and intends to apply part of the proceeds toward payments under the contract for Construction Works for the Rehabilitation of the Al Qayara Bridge, Nineveh Governorate.

The Ministry of Construction, Housing, Municipalities and Public Works/Roads and Bridges Directorate now invites sealed bids from eligible bidders for the Rehabilitation of the Al Qayara Bridge, Nineveh Governorate /Iraq, crossing the Tigris River and connecting the Mosul Governorate (Al Qayara district) with Erbil Governorate (Makhmoor district). The bridge was partially destroyed and requires surveys and detailed design works as well as repair, cleaning and rehabilitation works to restore traffic between the two districts. The rehabilitation works shall be implemented within 18 months.

The works to be implemented include i.a. the following tasks:

Demolition and lifting of damaged spans of the bridge, including cleaning and removing of the damaged concrete parts from the river path;

Reposition of displaced bridge elements and replacing damaged rubber pads with new rubber pads

Reconstruction of destroyed bridge elements (deck slabs, sidewalks and fascia including the installation of new expansion joints, handrail, guardrail, lighting poles, drainage system

Repairing damaged bridge parts e.g. columns, cross-head beams, concrete pads, girders, bridge approaches and asphaltting of the entire bridge.

This tender forms part of the "Quick Wins Project Roads and Bridges" financed under the KfW programme "The Credit Facility to assist the return of IDP's in Iraq (GCFI)". Further rehabilitation activities for additional bridges in the Nineveh Governorate and the southern part of the Baghdad-Mosul road will be tendered as well under the "Quick Wins Project Roads and Bridges".

Bidding will be conducted by means of the International Competitive Bidding procedure as specified in the KfW Guidelines for Guidelines for Procurement of Goods, Works and associated Services in Financial Cooperation with Partner Countries ("KfW Guidelines") as single stage international competitive bidding procedure with post-qualification for admeasurement works contracts.

To be eligible the bidder has to demonstrate sufficient financial and personnel capabilities as well as construction experience in the region or similar contexts, inter alia according to following criteria:

Experience under construction contracts for a minimum of four (4) projects substantially completed during the years 2010 – 2018.

Minimum of two (2) similar contracts between 1st January 2008 - 1st August 2018 and application of minimum value of one million four hundred thousand EUR (1,400,000 EUR) or equivalent.

Minimum average annual construction turnover of three million EUR (3,000,000EUR) or equivalent calculated as total certified annual payments received for contracts in progress and/or completed for financially strongest five (5) years starting from year 2010.

Minimum of two (2) references of contracts completed and/or under implementation (substantially completed) for construction experience in the following key activities successfully completed:

Rehabilitation and construction of bridges as steel and concrete structure

Detailed Design for Roads and Bridges

Construction works under international contract conditions (e.g. Design & Build/ EPC / FIDIC)
